

YOUSS, the best French bartender, the King of bar.

Mention Obligatoire - Mandrak Studio / Saby MAVIEL

You must be acquainted with him; you may have met him in one of the biggest European club- unless you have seen him on French T.V on "Ciel mon mardi" programme or at the cinema in "la boite" claude Zidi's movie.

Youss, with more than ten years experience as a bartender, is the unchallenged master of freestyle. He now puts his talent at disposal of professional or private people with a training for beginners or advanced learners.

Providing five days of training with four hours a day, he will teach you all the secret way's of handling. This unique training is provided at home and amounts to the delivery of a freestyle label WBS bartender degree.

A small but essential detail is the training can, offer better tariffs and the whole form can be filled through ninternet.

So let's meet on www.baryouss.com

Biography

If Tom Cruise impressed in "Cocktail", flying and dancing bottles around, then Youss may take your breath away.

Modern times bartender has had no trouble being noticed when he started in Neuchatel(Switzerland) at the BFLY disco. Both a juggler and an exceptional show man, Youss has first left an imprint on the biggest French clubs and the exhibitions dedicated to the showbusiness before moving to the T.V spotlights and cinema. It was in a most successful show that our artist made his first TV approach : "ciel, mon mardi", opened the doors of fame to him, followed by "unique en son genre", "qui est qui", "le plus grand...", le big dil". He'll be offred a small appearance the movie "la boite" by Claude Zidi with J.M Bigard.

The J.B. brand called Youss to present 70 promotional nights in French Clubs.

With all his experience he opened his own freestyle bartender school in January 2005, "world bartending school." wich is opened to professional or private people.
